

London Vintage Taxi Association Annual General Meeting 16 October 2022
Acting Regalia Officer's Report

I took back the job of Regalia Officer from Scott Moynihan on an acting basis, subject to a new officer being found. Scott left the job in a very good state, streamlining the accounting procedure and commissioning new lines, which I am sure he will mention in his report. I will bring examples of these items with me to the AGM for your inspection.

Sales have been somewhat slow of late, particularly from the UK. This is not surprising, considering the state of the economy. The figures, excluding outlay for stock for the period for which I have been responsible (End August to the date of this report) are as follows:

Opening	£2,631.91
Income	£183.89
Expenses (postage)	£17.35
Refunds	:
Balance	£2,798.45
Profit	£166.54
