

Spare Parts Officer's Report

This is my report for the clubs spare parts which we have sold.

The dates are from 27/06/2019 to 08/09/2022.

Total sales for this period is £1146

Cost of the garage rent is £66 PCM yearly rent is £792

Since covid I have only received 2 enquiries for parts we don't have.

We have had the garage now for nearly 4 years now and for it to pay for itself, we need to make more than £792 a year.

Should we have our own auto jumbles at shows we organise or at general car shows, myself and James SW do attend shows together in the northwest.

Finally do we get rid of the garage and dispose of the parts we have left.

People only want something when they want it, I have placed adds in VT, eBay.
